## ESOL Teacher Online Classes

Literacy Partners ([www.literacypartners.org](http://www.literacypartners.org)) is seeking a dynamic English language instructor to teach our online ESOL Classes for Parents two times per week in the evenings.

**Compensation:** Contract position: 6 hours per week @ \$30.00 an hour

**SUMMARY:** Classes begin week of March 1, 2021 and the contract is dependent on class enrollment; classes will vary in level and will meet online for 2 hours after 5:30 PM in the evenings on T/Th or M/W.

Our classes are designed for parents and emphasize parenting, health literacy and child development topics. We focus on parents in order to have a two-generation impact: helping low-income adults gain the skills to create a better life for themselves while advancing their children's cognitive and social-emotional development. Our curriculum is informed by the latest brain science related to child development and how people of all ages learn, along with the importance of creativity, community organizing, and empowerment.

### We are looking for outstanding teachers with:

- A passion for community learning and social justice with a focus on results and tangible impact;
- Previous success in helping adults to accomplish important goals and improve skills;
- Experience in leading ongoing participatory groups with goals, structure, and intention;
- Dynamic facilitation skills and the ability to teach content; and a
- Desire to innovate and be part of a multi-disciplinary team

### Major Responsibilities:

- Collaborate with LP's ESOL teachers to develop and execute lesson plans that integrate reading with children, connections between parent and child, health literacy, and financial literacy.
- Ensure lessons are logically sequenced, level appropriate, and follow LP scope and sequence.
- Maintain an online class atmosphere that is safe and conducive to learning.
- Include all students in lessons; elicit responses from less vocal students, work one-on-one with students when necessary.
- Administer pre and post-test English language assessments. \*Requires BEST Plus Certification
- Accumulate, record, and report student data (e.g., attendance, surveys, BOTO (Home Library Program), and test results) in a timely manner.
- Work with support services staff and interns to ensure that students' extracurricular needs are met (e.g., referring students for assistance, coordinating with counselors to arrange and prepare workshops, and integrating materials and information in the classes).
- Attend required staff orientation, professional development, and meetings throughout the year.

### Minimum Qualifications:

- Bachelor's degree, master's degree preferred
- 5 years or equivalent English language training and/or equivalent experience

### Other Working Conditions:

- Ability to work effectively in an online environment
- Provide own technology including reliable internet, computer/laptop and smartphone
